## Education

09/2020 – 12/2023

Nyeri, Kenya

### Bachelor's degree in Business Information Technology

*Dedan Kimathi University of Technology*

02/2016 – 11/2019

Litein

### Litein Boys High School

During my time in high school, I served as a peer counselor and mentor, providing guidance and support to my fellow students. As a peer counselor, I actively listened to their concerns and offered empathetic advice. Additionally, as a mentor, I led by example, demonstrating positive behaviors and actions for others to follow.

2007- 2015

### Jagiet School

## Professional Experience

5 May/2023 – 31 July/2023

As a trainee at Kenya Power Training School, I acquired practical skills and knowledge in IT. During my training, I focused on installations, troubleshooting, testing, and design, while also honing my customer service abilities and collaborating effectively within multidisciplinary teams to deliver quality results.

01 Sep/2023- to date

I am currently serving as the Business Development Manager at iTechie360, where I oversee strategic initiatives to drive growth and foster partnerships. Additionally, I lead a dynamic team dedicated to exploring innovative solutions and enhancing our market presence.

- Visionary: Able to see opportunities where others see challenges.
- Risk-taker: Willing to take calculated risks in pursuit of their goals.
- Creative: Capable of thinking outside the box to find innovative solutions.
- Resilient: Bounces back from setbacks and learns from failures.

- Self-motivated: Driven by internal goals and aspirations.
- Persistent: Doesn't give up easily, even in the face of obstacles.

## Languages

---

### English, Kiswahili and Kalenjin

I am a fluent speaker of the above languages

I can understand the following languages

### Kalenjin
